

COMPANY OVERVIEW

BluePoint ATM Solutions is a Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering ATM, Reverse ATM, and cash-access infrastructure to federal, state, and municipal agencies nationwide. With nearly two decades of experience in kiosk operations and cash logistics, BluePoint manages the full operational lifecycle — procurement, installation, 24/7 monitoring, servicing and maintenance — so agency teams don't have to. Our solutions keep payments accessible while enabling inclusive cash access or cashless payment options.

PRODUCTS & SERVICES

Traditional ATMs — Reliable cash-dispensing ATMs, custom installations and ongoing cash replenishment and service.

Reverse ATMs (Cash-to-Card) — Convert cash to a prepaid card instantly; realize the benefits of compliant, cashless operations without excluding customers who rely on cash.

POS Systems — Fully outsourced point-of-sale hardware, integration, and management.

Digital Signage — Traffic management, public safety/emergency messaging, directional signage.
